FIBROTECH

Reg. No. 8,350,141

Registered Jul. 21, 2026

**Int. Cl.: 2, 6, 17, 19, 35, 37,
42**

Service Mark

Trademark

Principal Register

KINGSPAN HOLDINGS (IRL) LIMITED (IRELAND COMPANY)

Dublin Road

Kingscourt

Co. Cavan, IRELAND

CLASS 2: Coatings, namely, coatings for EIFS (external insulation finishing systems), coatings comprised of cement, coatings in the nature of dry acrylic-based textured finish, penetrating sealer coatings for use on stone and concrete, corrosion inhibitors in the nature of a coating, stone sealer coatings, pre-treatment coatings for inorganic metal surfaces to improve adhesion and corrosion resistance, coating compositions in the nature of paint, coatings for wood as paints, coating compositions in the nature of paint containing thermosetting resins and thermoplastic resins used to coat metal products for industrial applications, architectural protective coatings, exterior surface protective coatings, polyurethane coatings for exterior and interior use on a variety of substrates, elastomeric-based coatings for use on roofs, elastomeric-based coatings for use on walls, elastomeric-based coatings for use on building foundations, preservative coatings for insulation, preservative coatings for drywall, preservative coatings for masonry, water based fire retardant coatings for building construction materials, preservative coatings for paper and wood surfaces, coating composition in the nature of paint for industrial applications, stains and clear finishes for exterior and interior use on a variety of substrates, floor coatings, polymer coatings for concrete, abrasion-resistant coating compositions for polymeric and other substrates, coatings in the nature of industrial sealants for waterproofing and surface hardening, anti-corrosive and fire retardant coatings, water-based roof coatings, resin-based coatings for use on roofs, resin-based coatings for use on walls, resin-based coatings for use on pavements, decorative spray coatings, corrosion inhibitors in the nature of a coating, coatings for roofing felt; dyes for general industrial use, colorants, pigments, inks for marking; raw natural resins; thinners and thickeners for coatings, namely, thinners and thickeners for paints, colours, inks, pigments, varnishes; thinners and thickeners for dyes and inks; wood preservatives for fencing; wood preservation treatments; oils for the preservation of wood; water based wood preservatives; preservatives for buildings in the nature of paints

John A. Span

DIRECTOR OF THE UNITED STATES
PATENT AND TRADEMARK OFFICE

CLASS 6: Building and construction materials and elements of metal, namely, metal canopies, awnings of metal, metal molds for forming wall panels for building, metal reinforcement materials for building, fascia, metal ceiling boards and panels, metal floor boards and panels, metal wall boards and panels, composite panels composed primarily of metal, supports; containers of metal for storage, transport and packaging; doors, gates, windows of metal; metal hardware, namely, nuts, pulleys, springs, washers, clasps, locks, clips, brackets, screws, metal pins, metal tacks, buckles of common metal, double-end swivels; fences of metal; boundary posts of metal; building panels of metal; metal building panels; building panels of metal incorporating acoustic insulation

CLASS 17: Insulation materials; flexible pipes, and fittings therefor, non-metallic; fittings for flexible pipes, namely, non-metallic valves; composite panels, made of aramid, glass, carbon or ceramic fibers, having insulating properties; insulation sheets; acoustical insulation barrier panels for buildings; boards for insulating purposes; sound proofing boards for use in building; plastics materials in the form of sheets being semi-finished products; semi-processed plastics in the form of sheets, films, blocks, rods and tubes; insulating panels; acoustical tiles; acoustic insulating boards; acoustic insulating panels; acoustic insulating materials; acoustic sheets for insulation; acoustical insulation for buildings; polyester fleece for acoustic insulation; lightweight mineral wool slabs for acoustic insulation purposes; polyester sheets for insulation, not for wrapping or packaging

CLASS 19: Building and construction materials and elements, not of metal, namely, non-metal molds for forming wall panels for building, non-metal reinforcement materials for building, fascia, non-metal ceiling boards and panels, non-metal floor boards and panels, non-metal wall boards and panels, non-metal composite panels, non-metal supports; doors, gates, windows not of metal; wood and artificial wood, namely posts, boards, beams, joists, rafters, siding, floors and flooring, railings; fibre cement slabs, boards, plaques; fiber cement siding; fences, not of metal; non-metal fence stays; fence posts of non-metallic materials; fencing posts made of plastics; non-metal decking; fire retardant panels for use in construction, not of metal; wood panelling; wainscoting, not of metal; furrings of wood; building panels, not of metal; cladding board, not of metal; concrete slabs being non-metal building materials; concrete building elements, namely, blocks, bricks, posts, slabs, panels; concrete building materials, namely, concrete wall forms, concrete poles, concrete blocks, concrete bricks, slabs, panels, posts; building panels made of composite materials, not of metal; building composite panels, not of metal; composite building elements, namely, blocks, bricks, posts, slabs, panels, not of metal; composite building materials, not of metal, comprised primarily of polystyrene, wood, concrete, stone, namely, blocks, bricks, posts, slabs, panels; timber panels; concrete panels; hardboard panels; acoustic panels of wood for walls; acoustic panels of wood for ceilings; acoustic panels, not of metal; wood-fiber reinforced cement boards

CLASS 35: Retail store services featuring coatings, namely, coatings for EIFS (external insulation finishing systems), coatings comprised of cement, coatings in the nature of dry acrylic-based textured finish, penetrating sealer coatings for use on stone and concrete, corrosion inhibitors in the nature of a coating, stone sealer coatings, pre-treatment coatings for inorganic metal surfaces to improve adhesion and corrosion resistance, coating compositions in the nature of paint, coatings for wood as paints, coating compositions in the nature of paint containing thermosetting resins and thermoplastic resins used to coat metal products for industrial applications, architectural protective coatings, exterior surface protective coatings, polyurethane coatings for exterior and interior use on a variety of substrates, elastomeric-based coatings for use on roofs, elastomeric-based coatings for use on walls, elastomeric-based coatings for use on building foundations, preservative coatings for insulation, preservative coatings for drywall, preservative coatings for masonry, water based fire retardant coatings for building construction materials, preservative coatings for paper and wood surfaces, coating composition in the nature of paint for industrial applications, stains and clear finishes for exterior and interior use on a variety of substrates, floor coatings, polymer coatings for concrete, abrasion-resistant coating compositions for polymeric and other substrates, coatings in the nature of industrial sealants for waterproofing and surface

hardening, anti-corrosive and fire retardant coatings , water-based roof coatings, resin-based coatings for use on roofs, resin-based coatings for use on walls, resin-based coatings for use on pavements, decorative spray coatings, corrosion inhibitors in the nature of a coating, coatings for roofing felt; wholesale store services featuring coatings, namely, coatings for EIFS (external insulation finishing systems), coatings comprised of cement, coatings in the nature of dry acrylic-based textured finish, penetrating sealer coatings for use on stone and concrete, corrosion inhibitors in the nature of a coating, stone sealer coatings, pre-treatment coatings for inorganic metal surfaces to improve adhesion and corrosion resistance, coating compositions in the nature of paint, coatings for wood as paints, coating compositions in the nature of paint containing thermosetting resins and thermoplastic resins used to coat metal products for industrial applications, architectural protective coatings, exterior surface protective coatings, polyurethane coatings for exterior and interior use on a variety of substrates, elastomeric-based coatings for use on roofs, elastomeric-based coatings for use on walls, elastomeric-based coatings for use on building foundations, preservative coatings for insulation, preservative coatings for drywall, preservative coatings for masonry, water based fire retardant coatings for building construction materials, preservative coatings for paper and wood surfaces, coating composition in the nature of paint for industrial applications, stains and clear finishes for exterior and interior use on a variety of substrates, floor coatings, polymer coatings for concrete, abrasion-resistant coating compositions for polymeric and other substrates, coatings in the nature of industrial sealants for waterproofing and surface hardening, anti-corrosive and fire retardant coatings , water-based roof coatings, resin-based coatings for use on roofs, resin-based coatings for use on walls, resin-based coatings for use on pavements, decorative spray coatings, corrosion inhibitors in the nature of a coating, coatings for roofing felt; online retail store services featuring coatings, namely, coatings for EIFS (external insulation finishing systems), coatings comprised of cement, coatings in the nature of dry acrylic-based textured finish, penetrating sealer coatings for use on stone and concrete, corrosion inhibitors in the nature of a coating, stone sealer coatings, pre-treatment coatings for inorganic metal surfaces to improve adhesion and corrosion resistance, coating compositions in the nature of paint, coatings for wood as paints, coating compositions in the nature of paint containing thermosetting resins and thermoplastic resins used to coat metal products for industrial applications, architectural protective coatings, exterior surface protective coatings, polyurethane coatings for exterior and interior use on a variety of substrates, elastomeric-based coatings for use on roofs, elastomeric-based coatings for use on walls, elastomeric-based coatings for use on building foundations, preservative coatings for insulation, preservative coatings for drywall, preservative coatings for masonry, water based fire retardant coatings for building construction materials, preservative coatings for paper and wood surfaces, coating composition in the nature of paint for industrial applications, stains and clear finishes for exterior and interior use on a variety of substrates, floor coatings, polymer coatings for concrete, abrasion-resistant coating compositions for polymeric and other substrates, coatings in the nature of industrial sealants for waterproofing and surface hardening, anti-corrosive and fire retardant coatings , water-based roof coatings, resin-based coatings for use on roofs, resin-based coatings for use on walls, resin-based coatings for use on pavements, decorative spray coatings, corrosion inhibitors in the nature of a coating, coatings for roofing felt; retail store services featuring dyes for general industrial use, colorants, pigments, inks for marking; wholesale store services featuring dyes for general industrial use, colorants, pigments, inks for marking; online retail store services featuring dyes for general industrial use, colorants, pigments, inks for marking; retail store services featuring raw natural resins; wholesale store services featuring raw natural resins; online retail store services featuring raw natural resins; retail store services featuring thinners and thickeners for coatings, dyes and inks, namely, thinners and thickeners for paints, colours, inks, pigments, varnishes; wholesale store services featuring thinners and thickeners for coatings, dyes and inks, namely, thinners and thickeners for paints, colours, inks, pigments, varnishes; online retail store services featuring thinners and thickeners for coatings, dyes and inks, namely, thinners and thickeners for paints, colours, inks, pigments, varnishes; retail store services featuring wood preservatives for fencing; wholesale store services featuring wood preservatives for fencing; online retail store services featuring wood preservatives for fencing; retail store services featuring wood

preservation treatments; wholesale store services featuring wood preservation treatments; online retail store services featuring wood preservation treatments; retail store services featuring oils for the preservation of wood; wholesale store services featuring oils for the preservation of wood; online retail store services featuring oils for the preservation of wood; retail store services featuring water based preservatives; wholesale store services featuring water based preservatives; online retail store services featuring water based preservatives; retail store services featuring preservatives for buildings in the nature of paints; wholesale store services featuring preservatives for buildings in the nature of paints; online retail store services featuring preservatives for buildings in the nature of paints; retail store services featuring Building and construction materials and elements of metal, namely, metal canopies, awnings of metal, metal molds for forming wall panels for building, metal reinforcement materials for building, fascia, metal ceiling boards and panels, metal floor boards and panels, metal wall boards and panels, composite panels composed primarily of metal, supports; wholesale store services featuring Building and construction materials and elements of metal, namely, metal canopies, awnings of metal, metal molds for forming wall panels for building, metal reinforcement materials for building, fascia, metal ceiling boards and panels, metal floor boards and panels, metal wall boards and panels, composite panels composed primarily of metal, supports; online retail store services featuring Building and construction materials and elements of metal, namely, metal canopies, awnings of metal, metal molds for forming wall panels for building, metal reinforcement materials for building, fascia, metal ceiling boards and panels, metal floor boards and panels, metal wall boards and panels, composite panels composed primarily of metal, supports; retail store services featuring containers, and transportation and packaging articles, of metal; wholesale store services featuring containers, and transportation and packaging articles, of metal; online retail store services featuring containers, and transportation and packaging articles, of metal; retail store services featuring doors, gates, windows of metal; wholesale store services featuring doors, gates, windows of metal; online retail store services featuring doors, gates, windows of metal; retail store services featuring metal hardware; wholesale store services featuring metal hardware; online retail store services featuring metal hardware; retail store services featuring fences of metal; wholesale store services featuring fences of metal; online retail store services featuring fences of metal; retail store services featuring boundary posts of metal; wholesale store services featuring boundary posts of metal; online retail store services featuring boundary posts of metal; retail store services featuring building panels of metal; wholesale store services featuring building panels of metal; online retail store services featuring building panels of metal; retail store services featuring flexible pipes, tubes, hoses and fittings therefor, namely valves, and fittings for rigid pipes, all non-metallic; wholesale store services featuring flexible pipes, tubes, hoses and fittings therefor, namely valves, and fittings for rigid pipes, all non-metallic; online retail store services featuring flexible pipes, tubes, hoses and fittings therefor, namely valves, and fittings for rigid pipes, all non-metallic; retail store services featuring insulation materials and barrier articles and materials; wholesale store services featuring insulation materials and barrier articles and materials; online retail store services featuring insulation materials and barrier articles and materials; retail store services featuring flexible pipes, tubes, hoses, and fittings therefor, including valves, non-metallic; wholesale store services featuring flexible pipes, tubes, hoses, and fittings therefor, including valves, non-metallic; online retail store services featuring flexible pipes, tubes, hoses, and fittings therefor, including valves, non-metallic; retail store services featuring composite panels, made of aramid, glass, carbon or ceramic fibers, having insulating properties; wholesale store services featuring composite panels, made of aramid, glass, carbon or ceramic fibers, having insulating properties; online retail store services featuring composite panels, made of aramid, glass, carbon or ceramic fibers, having insulating properties; retail store services featuring insulation sheets; wholesale store services featuring insulation sheets; online retail store services featuring insulation sheets; retail store services featuring acoustical insulation barrier panels for buildings; wholesale store services featuring acoustical insulation barrier panels for buildings; online retail store services featuring acoustical insulation barrier panels for buildings; retail store services featuring boards for insulating purposes; wholesale store services featuring boards for insulating purposes; online retail store services featuring boards for insulating purposes; retail store services featuring sound proofing boards for use in building;

wholesale store services featuring sound proofing boards for use in building; online retail store services featuring sound proofing boards for use in building; retail store services featuring plastics materials in the form of sheets being semi-finished products; wholesale store services featuring plastics materials in the form of sheets being semi-finished products; online retail store services featuring plastics materials in the form of sheets being semi-finished products; retail store services featuring semi-processed plastics in the form of sheets, films, blocks, rods and tubes; wholesale store services featuring semi-processed plastics in the form of sheets, films, blocks, rods and tubes; online retail store services featuring semi-processed plastics in the form of sheets, films, blocks, rods and tubes; retail store services featuring Building and construction materials and elements, not of metal, namely, non-metal molds for forming wall panels for building, non-metal reinforcement materials for building, fascia, non-metal ceiling boards and panels, non-metal floor boards and panels, non-metal wall boards and panels, non-metal composite panels, non-metal supports; wholesale store services featuring Building and construction materials and elements, not of metal, namely, non-metal molds for forming wall panels for building, non-metal reinforcement materials for building, fascia, non-metal ceiling boards and panels, non-metal floor boards and panels, non-metal wall boards and panels, non-metal composite panels, non-metal supports; online retail store services featuring Building and construction materials and elements, not of metal, namely, non-metal molds for forming wall panels for building, non-metal reinforcement materials for building, fascia, non-metal ceiling boards and panels, non-metal floor boards and panels, non-metal wall boards and panels, non-metal composite panels, non-metal supports; retail store services featuring doors, gates, windows and window coverings, not of metal; wholesale store services featuring doors, gates, windows and window coverings, not of metal; online retail store services featuring doors, gates, windows and window coverings, not of metal; retail store services featuring wood and artificial wood, namely posts, boards, beams, joists, rafters, siding, floors and flooring, railings; wholesale store services featuring wood and artificial wood, namely posts, boards, beams, joists, rafters, siding, floors and flooring, railings; online retail store services featuring wood and artificial wood, namely posts, boards, beams, joists, rafters, siding, floors and flooring, railings; retail store services featuring fibre cement slabs, boards, plaques; wholesale store services featuring fibre cement slabs, boards, plaques; online retail store services featuring fibre cement slabs, boards, plaques; retail store services featuring fiber cement siding; wholesale store services featuring fiber cement siding; online retail store services featuring fiber cement siding; retail store services featuring fences, not of metal; wholesale store services featuring fences, not of metal; online retail store services featuring fences, not of metal; retail store services featuring non-metal fence stays; wholesale store services featuring non-metal fence stays; online retail store services featuring non-metal fence stays; retail store services featuring fence posts of non-metallic materials; wholesale store services featuring fence posts of non-metallic materials; online retail store services featuring fence posts of non-metallic materials; retail store services featuring fencing posts made of plastics; wholesale store services featuring fencing posts made of plastics; online retail store services featuring fencing posts made of plastics; retail store services featuring non-metal decking; wholesale store services featuring non-metal decking; online retail store services featuring non-metal decking; retail store services featuring fire retardant panels, non-metallic, for use in construction; wholesale store services featuring fire retardant panels, non-metallic, for use in construction; online retail store services featuring fire retardant panels, non-metallic, for use in construction; retail store services featuring wood panelling; wholesale store services featuring wood panelling; online retail store services featuring wood panelling; retail store services featuring wainscotting, not of metal; wholesale store services featuring wainscotting, not of metal; online retail store services featuring wainscotting, not of metal; retail store services featuring furrings of wood; wholesale store services featuring furrings of wood; online retail store services featuring furrings of wood; retail store services featuring building panels, not of metal; wholesale store services featuring building panels, not of metal; online retail store services featuring building panels, not of metal; retail store services featuring cladding board, non-metallic; wholesale store services featuring cladding board, non-metallic; online retail store services featuring cladding board, non-metallic; retail store services concrete slabs being non-metal building materials; wholesale store services featuring concrete slabs being non-metal building materials;

online retail store services featuring concrete slabs being non-metal building materials; retail store services featuring concrete; wholesale store services featuring concrete; online retail store services featuring concrete; retail store services featuring concrete building elements; wholesale store services featuring concrete building elements; online retail store services featuring concrete building elements; retail store services featuring concrete building materials, namely, concrete wall forms, concrete poles, concrete blocks, concrete bricks, slabs, panels, posts; wholesale store services featuring concrete building materials, namely, concrete wall forms, concrete poles, concrete blocks, concrete bricks, slabs, panels, posts; online retail store services featuring concrete building materials, namely, concrete wall forms, concrete poles, concrete blocks, concrete bricks, slabs, panels, posts; advertising, marketing and promotional services; administrative processing of purchase orders; arranging of contracts for the purchase and sale of goods and services, for others; commercial information and advice for consumers; commercial information and advice for consumers in the choice of products and services; computerized on-line ordering services in the field of building and construction; electronic commerce services, namely, providing information about products via telecommunication networks for advertising and sales purposes; online ordering services in the field of building and construction; providing consumer information relating to goods and services; provision of an on-line marketplace for buyers and sellers of goods and services; sales administration, namely business administration services for processing sales made on the internet; on-line advertising and marketing services; business consultancy and information relating to customer services and product management and prices on webpages in connection with internet shopping; product demonstrations services; advertising services; advertising via electronic media and specifically the internet; business marketing services, namely, arranging of product launches; online advertising and marketing services; preparation of advertising material; product launch services, namely providing business and advertising advice in the field of launching new products, arranging advertising campaigns for the launching of new products; organization and conducting of product presentations; providing incentive award programs through issuance and processing of loyalty points for purchase of a company's goods and services; retail store services featuring metal building panels; wholesale store services featuring metal building panels; online retail store services featuring metal building panels; retail store services featuring insulating panels; wholesale store services featuring insulating panels; online retail store services featuring insulating panels; retail store services featuring timber panels; wholesale store services featuring timber panels; online retail store services featuring timber panels; retail store services featuring concrete panels; wholesale store services featuring concrete panels; online retail store services featuring concrete panels; retail store services featuring hardboard panels; wholesale store services featuring hardboard panels; online retail store services featuring hardboard panels; demonstration of goods; demonstration of goods for promotional purposes; organisation and conducting of product presentations; retail store services featuring building panels of metal incorporating acoustic insulation; wholesale store services featuring building panels of metal incorporating acoustic insulation; online retail store services featuring building panels of metal incorporating acoustic insulation; retail store services featuring acoustical tiles; wholesale store services featuring acoustical tiles; online retail store services featuring acoustical tiles; retail store services featuring acoustic insulating boards; wholesale store services featuring acoustic insulating boards; online retail store services featuring acoustic insulating boards; retail store services featuring acoustic insulating panels; wholesale store services featuring acoustic insulating panels; online retail store services featuring acoustic insulating panels; retail store services featuring acoustic insulating materials; wholesale store services featuring acoustic insulating materials; online retail store services featuring acoustic insulating materials; retail store services featuring acoustic sheets for insulation; wholesale store services featuring acoustic sheets for insulation; online retail store services featuring acoustic sheets for insulation; retail store services featuring acoustical insulation for buildings; wholesale store services featuring acoustical insulation for buildings; online retail store services featuring acoustical insulation for buildings; retail store services featuring polyester fleece for acoustic insulation; wholesale store services featuring polyester fleece for acoustic insulation; online retail store services featuring polyester fleece for acoustic insulation; retail store services featuring lightweight mineral wool slabs for acoustic insulation purposes; wholesale store services featuring lightweight

mineral wool slabs for acoustic insulation purposes; online retail store services featuring lightweight mineral wool slabs for acoustic insulation purposes; retail store services featuring polyester sheets, other than for wrapping or packaging; wholesale store services featuring polyester sheets, other than for wrapping or packaging; online retail store services featuring polyester sheets, other than for wrapping or packaging; retail store services featuring acoustic panels of wood for walls; wholesale store services featuring acoustic panels of wood for walls; online retail store services featuring acoustic panels of wood for walls; retail store services featuring acoustic panels of wood for ceilings; wholesale store services featuring acoustic panels of wood for ceilings; online retail store services featuring acoustic panels of wood for ceilings; retail store services featuring acoustic panels, not of metal; wholesale store services featuring acoustic panels, not of metal; online retail store services featuring acoustic panels, not of metal; retail store services featuring wood-fiber reinforced cement boards; wholesale store services featuring wood-fiber reinforced cement boards; online retail store services featuring wood-fiber reinforced cement boards

CLASS 37: Constructing decks; installation services of building and construction materials and elements of metal; repair and maintenance of building and construction materials and elements of metal; installation services of containers, and transportation and packaging articles, of metal; repair and maintenance of containers, and transportation and packaging articles, of metal; installation services of doors, gates, windows and window coverings of metal; repair and maintenance of doors, gates, windows and window coverings of metal; installation services of metal hardware; repair and maintenance of metal hardware; installation services of fences of metal; repair and maintenance of fences of metal; installation services of boundary posts of metal; repair and maintenance of boundary posts of metal; installation services of building panels of metal; repair and maintenance of building panels of metal; installation services of flexible pipes, tubes, hoses and fittings therefor including valves, and fittings for rigid pipes, all non-metallic; repair and maintenance of flexible pipes, tubes, hoses and fittings therefor including valves, and fittings for rigid pipes, all non-metallic; installation services of insulation and barrier articles and materials; repair and maintenance of insulation and barrier articles and materials; installation services of flexible pipes, tubes, hoses, and fittings therefor, including valves, non-metallic; repair and maintenance of flexible pipes, tubes, hoses, and fittings therefor, including valves, non-metallic; installation services of composite panels having insulating properties; repair and maintenance of composite panels having insulating properties; installation services of insulation sheets; repair and maintenance of insulation sheets; installation services of acoustical panels for buildings; repair and maintenance of acoustical panels for buildings; installation services of sound-absorbing plates; repair and maintenance of sound-absorbing plates; installation services of boards for insulating purposes; repair and maintenance of boards for insulating purposes; installation services of sound proofing boards for use in building; repair and maintenance of sound proofing boards for use in building; installation services of acoustic board for ceilings; repair and maintenance of acoustic board for ceilings; installation services of plastics materials in the form of sheets; repair and maintenance of plastics materials in the form of sheets; installation services of plastics in the form of sheets, films, blocks, rods and tubes; repair and maintenance of plastics in the form of sheets, films, blocks, rods and tubes; installation services of building and construction materials and elements, not of metal; repair and maintenance of building and construction materials and elements, not of metal; installation services of doors, gates, windows and window coverings, not of metal; repair and maintenance of doors, gates, windows and window coverings, not of metal; installing wooden or artificial wooden siding; constructing wooden or artificial wooden deck; restoration of wooden or artificial wooden walls and structures; laying wooden or artificial wooden floor; repair and maintenance of wooden or artificial wooden sidings; repair and maintenance of wooden or artificial wooden deck; repair and maintenance of wooden or artificial wooden walls and structures; repair and maintenance of ceiling and wall texturing, of wood or artificial wood; repair and maintenance of wooden or artificial wooden flooring; installation services of building elements and structures made of fibre cement; repair and maintenance of building materials and structures of fibre cement; installation services of fiber cement siding; repair and maintenance of fiber cement siding; installation services of fences, not of metal; repair and maintenance of fences, not of metal; installation

services of non-metal fence stays; repair and maintenance of non-metal fence stays; installation services of fence posts of non-metallic materials; repair and maintenance of fence posts of non-metallic materials; installation services of fencing posts made of plastics; repair and maintenance of fencing posts made of plastics; installation services of non-metal decking; repair and maintenance of non-metal decking; installation services of deck profiles, not of metal; repair and maintenance of deck profiles, not of metal; installation services of non-metallic fire retardant panels for use in construction; repair and maintenance of non-metallic fire retardant panels for use in construction; installation services of wood panelling; repair and maintenance of wood panelling; installation services of wainscoting, not of metal; repair and maintenance of wainscoting, not of metal; installation services of furrings of wood; repair and maintenance of furrings of wood; installation services of building panels, not of metal; repair and maintenance of building panels, not of metal; installation services of non-metallic cladding board; repair and maintenance of non-metallic cladding board; installation services of concrete slabs; repair and maintenance of concrete slabs; installation services of concrete coatings; repair and maintenance of concrete coatings; repair and maintenance of concrete; installation services of concrete building elements; repair and maintenance of concrete building elements; installation services of concrete building materials; repair and maintenance of concrete building materials; mounting and fitting services being installation services of panels made of wood, artificial wood or composite materials made of wood and plastic, and planks, for building; installation services of metal panels; repair and maintenance of metal panels; installation services of metal building panels; repair and maintenance of metal building panels; installation services of insulating panels; repair and maintenance of insulating panels; installation services of timber panels; repair and maintenance of timber panels; installation services of concrete panels; repair and maintenance of concrete panels; installation services of hardboard panels; repair and maintenance of hardboard panels; building cleaning; facade cleaning; building maintenance and repair; advisory services relating to the alteration of buildings in the nature of repair, maintenance, construction, and installation advice services; advisory services relating to the construction of buildings and other structures; building insulating services; building construction and repair; ceiling installation; construction of parts of buildings; building construction services; installation of building insulation; insulating of internal and external walls, ceilings and roofs; installing fencing; installation of prefabricated building elements; installation of fixtures and fittings for buildings; providing information relating to building construction; installation services of acoustic panels of metal; repair and maintenance of acoustic panels of metal; installation services of acoustic sheets; repair and maintenance of acoustic sheets; installation services of acoustic insulants; repair and maintenance of acoustic insulants; installation services of acoustical tiles; repair and maintenance of acoustical tiles; installation services of acoustic insulating boards; repair and maintenance of acoustic insulating boards; installation services of acoustic insulating panels; repair and maintenance of acoustic insulating panels; installation services of acoustic insulating materials; repair and maintenance of acoustic insulating materials; installation services of acoustic sheets for insulation; repair and maintenance of acoustic sheets for insulation; installation services of acoustical insulation for buildings; repair and maintenance of acoustical insulation for buildings; installation services of polyester fleece for acoustic insulation; repair and maintenance of polyester fleece for acoustic insulation; installation services of lightweight mineral wool slabs for acoustic insulation purposes; repair and maintenance of lightweight mineral wool slabs for acoustic insulation purposes; installing siding of recycled plastics; constructing decks of recycled plastics; restoration of walls and structures of recycled plastics; laying floor of recycled plastics; installation services of polyester sheets, other than for wrapping or packaging; repair and maintenance of polyester sheets, other than for wrapping or packaging; installation services of acoustic panels of wood for walls; repair and maintenance of acoustic panels of wood for walls; installation services of acoustic panels of wood for ceilings; repair and maintenance of acoustic panels of wood for ceilings; installation services of acoustic panels, not of metal; repair and maintenance of acoustic panels, not of metal; installation services of wood-fiber reinforced cement boards; repair and maintenance of wood-fiber reinforced cement boards

CLASS 42: Building Design services; advisory services relating to interior design; architectural design for exterior decoration; architectural design for interior decoration;

residential and commercial building design services; computer aided design services relating to architecture; computer aided design services relating to building projects; consultancy in the field of construction drafting; consultation services relating to interior design; design and testing of new products for others; design of buildings; design of building interiors; design of building exteriors; new product design services; development of new products for others in the field of building and construction; professional consultancy relating to energy efficiency in buildings being engineering services

The color(s) white, black, and orange is/are claimed as a feature of the mark.

The mark consists of the wording "FIBROTECH" in white, black, and orange, with the colors white and black also forming a rectangle behind the literal element.

OWNER OF INTERNATIONAL REGISTRATION 1700240 DATED 05-25-2022,
EXPIRES 05-25-2032

SER. NO. 79-430,943, FILED 07-30-2025

REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*

What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
